<b>18</b>	Counseling /mentoring	<p>Talking about your problems in confidence with a trained listener who has nothing to do with the rest of your life can help you to:</p> <ul style="list-style-type: none"> <li>• Clarify your thoughts and feelings in a way which enables you to move forward and make changes in your life.</li> <li>• Feel heard and understood by another human being.</li> <li>• Understand and express feelings which might feel difficult or uncomfortable in your day-to-day relationships.</li> <li>• Recognise old coping strategies and skills which were necessary to you in the past but which may not be helping in your current circumstances.</li> <li>• Understand what you have to contribute to the different intimate, working and domestic relationships in your life, and also the unconscious ways in which you might sabotage</li> </ul>
-----------	-----------------------	---

		<p>these relationships.</p> <ul style="list-style-type: none"> <li>• Understand and appreciate your own unique value as a human being.</li> <li>• Take an active part in becoming the person you really want to be.</li> </ul>
	Carrier Counseling	If you are experiencing personal issues about your future and want to discuss or discover how to maximise new opportunities or career options, you can do so with me as your professional career counsellor. I am an experienced, qualified professional who understands the difficulties and demands of various career choices. My job coaching and career counseling support involves detailed discussions around your life plans and career intentions including any factors that are likely to influence your decisions or that could affect your goals. Helping you to arrive at the answers to your questions will assist you in realizing and achieving your career objectives. The discussions also involve setting personal goals and learning new skills to allow positive career choices to be made.
	Medical facilities	BRMIMIT has tie up with a reputed hospital, which is in close proximity to the college. A team of qualified doctors is available to provide regular and intensive medical care to our students. The college also has its own dispensary and ambulance in the campus with support staff
	Student insurance	N.A.

<b>19</b>	Students Activities Body	There are different Clubs, House, etc. of the students. Selection to the various clubs, Houses are made generally in the month of September every year. Representatives for these student bodies are selected from among them.
	Cultural activities	Cultural event of the institute is organised annually in the month of February. Students from various branches participate in this event. Moreover, many cultural weekends are organised from time to time.
	Sports Activities	Annual sports is being commenced during the month of December and continues upto end of January..
	Literary activities	The institute has a very spacious well equipped and well maintained library with a large collection of titles on MBA and MCA disciplines. It also has large no. of text and reference books, journals, periodicals and magazines on MBA as well as MCA subjects. Both lending and reading room facilities are available separately to the students. Well organized reference books are separately maintained to meet the academic need of the students as well as teachers.
	Magazine/Newsletters	In this lesson, students will write a news article for the college/news bulletin/ journal. The lesson begins with a discussion about freedom of speech and the important role it plays in journalism. Next, students will learn how to create news articles by developing 'lead paragraphs' and by using the 'inverted pyramid' model. Once this is done, they will be given time during class to select topics, conduct research, write their articles and proof

		read and peer edit their own and other's works.
	Technical activities / tech fest	The Institution provides leadership in Scientific Technical areas of direct importance to the national development and economy. The objectives of IETE focus on advancing electro-technology. The IETE conducts and sponsors technical meetings, conferences, symposia, and exhibitions all over India, publishes technical journals and provides continuing education as well as career advancement opportunities to its members.
	Industrial visits/ tours	With increasing global scenario, there is always a need for the interaction between industry and institutes. BRMIMIT strives for closer and intensive interaction and partnership with industry to take-up projects of direct relevance to local industrial environment to meet national goals.
	Alumni activities	Alumni are invited for different National and International seminars to participate.
